

Nuggets Day 1

C@C

beware of small reforms that look big

3rd space

alignment of 3 wills

crabland-journey

soft-minded optimists

middle-managers blog(?) - powerful

self-interest rightly understood

reform is multi-level, multi-layered with difference

proof of reform takes different forms

Reform in ordered concerns

check to see message ent is same are real?

agenda develop vs agenda setting

reforms fail - why & why succeed

iron triangle of technocracies

people have to be persuaded after exists before solution

2-level information processing fast & slow - high & low
